

## REVEL POS FEATURE | APPOINTMENT SCHEDULING

Designed to make scheduling easier for spas, salons and any business with appointments. With the ability to schedule by individual employee or service location, appointments are easy to book and organize. Start managing your business on an intelligent calendar today.

Ask about Email and Text Confirmations that remind customers of upcoming appointments.

### MASTER CONTROL

Manage every employee's schedule on one calendar from the Revel iPad Point of Sale system. Users have the ability to view appointments by date range or employee.

### CUSTOMIZABLE SERVICE PROVIDERS

Link employees to each applicable service and even specify custom prices, commissions and durations.

### EMAIL AND TEXT CONFIRMATIONS

Once appointments are booked on the Revel Point of Sale system, confirmations can be sent to clients through email or text.

### TIME BLOCKING

Easily manage your employees' availability, blocking out time for lunch breaks and vacations.

### FULL POS ACCESS

Scheduling is an overlay capability so you can take full advantage of every Revel Point of Sale feature including Intelligent Reporting, Inventory Management and Employee Tracking.
